Re: Tentative Updated Waste Discharge Requirements/NPDES Permit and Monitoring and Reporting Program for the City of South Lake Tahoe, El Dorado County and Placer County Storm Water/Urban Runoff Discharge, El Dorado and Placer Counties.

Dear Mr. Larsen,

Friends of Lake Tahoe appreciates the opportunity to comment on the tentative updated NPDES Permit for the City of South Lake Tahoe, El Dorado County, and Placer County.

Please be advised that, after having reviewed the contents of same, we hereby, by this reference, incorporate herein the comments of the League to Save Lake Tahoe contained within their September 15, 2011, comment letter regarding this matter.

We look forward to your prompt attention to this matter.

Hard copy to follow via U.S. Mail.

Sincerely,

Roger S. Patching

President / CEO
